

HAND
SANITISER
5L PACK

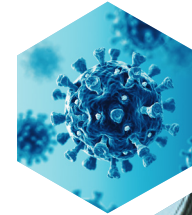

Wellbeing Brands

AN ECONOMICAL 5L HAND SANITISER BULK PACK, IDEAL FOR AUTOMATIC DISPENSERS AND REFILLABLE PACKS

ViroCLEAR hand sanitiser is an alcohol and ethanol free alternative that kills 99.99% of germs and bacteria and is now available in a 5L bulk pack.

It contains native Australian plant extracts so it is gentle on hands, non-irritating and non-drying to the skin, even with regular and prolonged use. This makes ViroCLEAR hand sanitiser the ideal choice to buy in bulk for regular use.

Alcohol free, fragrance free, non-irritating, child friendly and 100% Australian made and owned. Helps boost the skin's natural defences and reduce the risk of skin sensitisation.

AVAILABLE
IN 5 LITRE
AND 50 ML
PACKS

The 5 Litre bulk pack is the ideal choice for:

- Automatic hand sanitiser dispenser stations
- Hospitality venues and shopping centres
- Refillable multiple use hand sanitiser packs
- Schools, classrooms and gyms
- Aged-care and healthcare facilities
- Anywhere multiple use hand sanitisers are needed

ViroCLEAR contains 0.12% w/w benzalkonium chloride.

When using ViroCLEAR always read the label and carefully follow directions for use.
